## CENTRAL FLORIDA FALL EGGFEST

The Central Florida Fall EggFest (CFFE) is an annual event dedicated to the Big Green Egg grill and Egg enthusiasts known as Eggheads. Entering its tenth year, the family-friendly event attracts professional and amateur cooks alike to showcase their talents on the Big Green Egg. Guests to the event enjoy live music, cooking demonstrations, and tastings from each team.

As a sponsor of the event, your business will have the opportunity to engage over 500+ attendees and be promoted across our media channels, website, and throughout the event. Held at the beautiful Wekiva Island, CFFE attracts Eggheads from all over the state with a passion for cooking and trying new foods.

## KEEP SEMINOLE BEAUTIFUL

Net proceeds from the festival benefit Keep Seminole Beautiful to support their continuous efforts to keep our community clean. To date, CFFE has raised over \$25,000 to support the organization's river clean ups along the Wekiva River. In addition to twice-monthly river clean-ups, volunteers plant trees, clean roads, remove invasive species, and take care of community areas that need attention.

## WHAT IS AN EGGFEST?

An EggFest is a venue for Big Green Egg enthusiasts to showcase their talents on the Big Green Egg grill. It is also an opportunity for those who have been contemplating a Big Green Egg to sample the foods and talk to other egg enthusiasts. You never know, you may begin to turn into an Egghead yourself!

You will meet experienced Egg cooks showcasing their skills and talents cooking a wide variety of delicious food. It's the perfect place to learn all the different cooking possibilities and techniques that can be used. You will have the opportunity to taste samples from fellow Eggheads, learn about Big Green Egg products and accessories, and view demonstrations to learn some new skills.

As a top tier sponsor, you will be featured on the center stage banners.

## JOIN OUR GREAT SPONSORS

Proceeds come from ticket sales and donations for a chance to win a Big Green Egg. Historically, we have given away a Large BGE and a MiniMax to the public. We also have an incredible group of product sponsors that donate products for our Cooks-Only Giveaway, as our cooks donate their food and time for this event!

Your contribution helps cover the production costs, estimated at \$12,000. Once these costs are covered, every dollar earned from ticket sales goes to Keep Seminole Beautiful which directly impacts river cleanup efforts. Last year we donated \$7,000 while still covering most of these costs ourselves. With your sponsorship, we can give so much more!
